## T+A MP 3100 HV

THE ULTIMATE DO-IT-ALL disc player, the MP 3100 HV boasts a new SACD/CD mechanism, alongside an improved streaming section offering compatibility with Tidal, Qobuz and Deezer. This

isn't a player that ever sounds soft or over lush, instead clearly demonstrating the T+A house sound, which is to say big, rich, wonderfully full and involving, yet just a shade sweet. Never slow

and displaying huge amounts of detail, this is a player as mature and confident as it is generously equipped.
