

## Floorstander - CRITERION TAL X3

The **TAL X3** is our latest and smallest transmission-line speaker in the TAL series. It is a classic two-way design, and carries off the magical trick of combining the charming tonal and spatial qualities of the compact two-way speaker with the bass foundation and dynamics of the large floor-standing type. Basically it is a slightly smaller version of the X1 without the additional bass driver and level adjustors. As in all TAL models and the TCI 3R the treble unit is a further developed super annular driver, working hand-in-hand with a 17 cm pressure-cast aluminium low/mid-range unit with metal cone and phase plug in a two-way circuit acting on the sophisticated transmission line cabinet. The result is enormous dynamic range and precision in the bass range, and a very low bottom limit frequency with a superb capacity to cope with high levels.

### Specifications

<i>Principle</i>	2 – way – transmissionline floor stander
<i>Nominal power rating</i>	90 Watt
<i>Music power rating</i>	120 Watt
<i>Impedance</i>	4 Ohm
<i>Frequency response</i>	32 – 50000 Hz
<i>Sensitivity 90 dB/1 m</i>	2,4 Watt
<i>Bass drive unit</i>	1 x 170 mm
<i>High-frequency drive unit</i>	1 x 35 mm
<i>Crossover unit, type</i>	FSR
<i>Crossover frequencies</i>	2000 Hz
<i>Bi-amping</i>	yes
<i>Dimensions H x W x D</i>	80 x 21 x 31 cm
<i>Weight</i>	17 kg
<i>Colours</i>	black
