

Centrespeaker - TALIS TLC 3

The Talis **TLC 3** is designed as a dual-purpose speaker: it can be used as a proper Hi-Fi loudspeaker, but also makes an excellent centre speaker for home cinema and surround systems. Its large effective volume enables the two 14 cm bass / mid-range units to produce a very deep, clean bass which can work safely at extremely high levels, and in combination with the woven dome tweeter the speaker generates a very open, clear sound image. These qualities make it an ideal unit for digital surround systems, as the same type can be used both as main and rear speakers, and even for the centre. In the latter case it should be located as close as possible to the TV, where it does a fine job of reproducing the human voice clearly. For this reason its powerful magnets are effectively shielded.

Specifications

<i>Principle</i>	Centerspeaker
<i>Nominal power rating</i>	90 Watt
<i>Music power rating</i>	140 Watt
<i>Impedance</i>	4 Ohm
<i>Frequency response</i>	40 – 30000 Hz
<i>Sensitivity 90 dB/1 m</i>	3,2 Watt
<i>Bass drive unit</i>	2 x 140 mm
<i>High-frequency drive unit</i>	1 x 20 mm
<i>Crossover frequencies</i>	2000 Hz
<i>Dimensions H x W x D</i>	15 x 54 x 17 cm
<i>Weight</i>	9 kg
<i>Colours</i>	black (RAL 9005), silver eloxided aluminium, Chrome, non standard RAL colour (extra cost option)
